## Mail Us Your Overdue Tax Returns

We have no record of receiving a response to our previous requests for your overdue tax return(s). The tax period(s) in question are listed on the back of this letter.

If we don't receive the return(s) within 10 days from the date of this letter, we may determine that you are refusing to comply with the law. A taxpayer who intentionally doesn't file a return can be charged fines and criminal penalties.

In addition, as allowed under Internal Revenue Code Section 6020(b), we will prepare your employment, excise, or partnership returns based on available information such as the last return(s) you filed. We will figure your tax and send you a bill for that tax, plus interest and penalty charges. This won't be to your advantage.

Send us the required tax return(s) along with the enclosed return cover sheet in the envelope provided. If you need more forms or have any questions, please call us immediately at the telephone number shown above. Keep this letter for your records.
