Dear [-30V]

Our records indicate there is an unpaid balance due on your Form [04 9V] account for the tax period shown above. Based on a prior contact with you, we suspended sending notices on this account while we reviewed it. However, when we completed our review, we did not restart our notices. Because this was an error, we have not charged interest or penalties from the time we started our review until the date of this letter.

The total balance due as of today is \$[05 12\$]. If your payment is received within ten (10) days from the date of this letter, no additional interest or penalty will be charged. Please make your check or money order payable to the United States Treasury, and send it to us in the enclosed envelope.

If you recently made a payment that has not been credited to your account, please send us legible copies of both sides of the cancelled check(s). If you filed a claim that has not been acknowledged, send us a signed copy of the claim and any related prior correspondence.
